

Learn how to convert the “Just Looking” Buyers!

Become a Student of

CREATING URGENCY UNIVERSITY

Jason Forrest has created a triple-threat approach to increase your sales through this powerful **five-week, live, interactive video coaching program**. Your virtual conference* will take you through his step-by-step plan that includes customized strategies to target your personal selling obstacles, real-life activities that you can apply with your next customer, and motivation to keep you moving forward. This is your REAL SOLUTION to increase sales. Change your life by following Jason's triple-threat approach to success: Self, Science, and Sweat.

6
live video
coaching
sessions!

– SELF –

Learn how to change your behaviors to reach your sales goals.

Receive inspiration and advice from Jason (live via video and tele-conference). • Interact with salespeople around the country who share your goals.

– SCIENCE –

A step-by-step process to increase your sales productivity.

Five weekly experiential assignments you can execute from your sales office. • In-depth study of selling with the *Seven Phases of Emotional Urgency*.

– SWEAT –

Do what it takes to create some serious urgency with your customers.

Weekly 1-hour Video Coaching Conference* with Jason (6 live sessions over 5 weeks). • Real-Life Application for your next customer.
